

8 GENERATION

8 GENERATION WHITE

The 8th Generation is a new wine from a selection of grape varieties to discover a new style of products from our best terroirs.

Grape varieties

100% Muscadelle

Age of the vineyard - Area

10-15 years - 4 hectares

Soil

Clay-siliceous soil originating from the erosion of the hillsides

Harvest

By hand with 2 successive selections from the best grapes

Vinification

Grapes are pressed after selection. Juice is cooled down to 5 – 6 degrees celsius, settled and then kept at low temperature on its fine lees. Wine is kept under control at a low temperature throughout the fermentation process, then matured on fine lees for few months
