

# FRUITY WINES

## CHÂTEAU BOISSON

Château Boisson is a stunning estate located at the gateway of Cadillac in the small municipality of Beguey. Overlooking the Garonne River, the vineyard is nestled at the top of a hill above ancient stone quarries.

The domain covers about 12 hectares of very old vines where white and red grape varieties evenly share the clay-siliceous soil.

### Grape varieties

60% Cabernet Sauvignon  
40% Merlot

### Age of the vineyard - Area

10-15 years - 12 hectares

### Soil

Clay-siliceous soil originating from the erosion of the hillsides

### Vinification

Grapes are pressed directly and sometimes slightly macerated depending on the harvest. Vinification is at low temperature. After filtering, wine is matured in vats then bottled. Estate-bottled during the spring following the harvest

### Tasting notes

This wine with a salmon pink dress, has a fine floral nose and notes of grapefruit. The mouth's attack is supple and full

### Suggested dishes

A good match for a barbecue or with crab pastries and tomatoes, peppers tart
